

LOVE2SHOP e-Gift Cards

Thank recipients instantly and
provide access to huge brands
at the click of a button

Reward anyone, anywhere, any time

Love2shop e-Gift Cards offer instant digital rewards for employees or customers.

Using award-winning tech, Love2shop e-Gift Cards are distributed over email then exchanged online for a huge catalogue of thrilling rewards. Recipients pick from a selection of in-store and online shopping, experiences, special gifts and more.

The three-step Love2shop e-Gift Card Process

One:
Reward codes are sent by email

Two:
Recipients input their code into an online platform

Three:
They pick their perfect reward from our catalogue

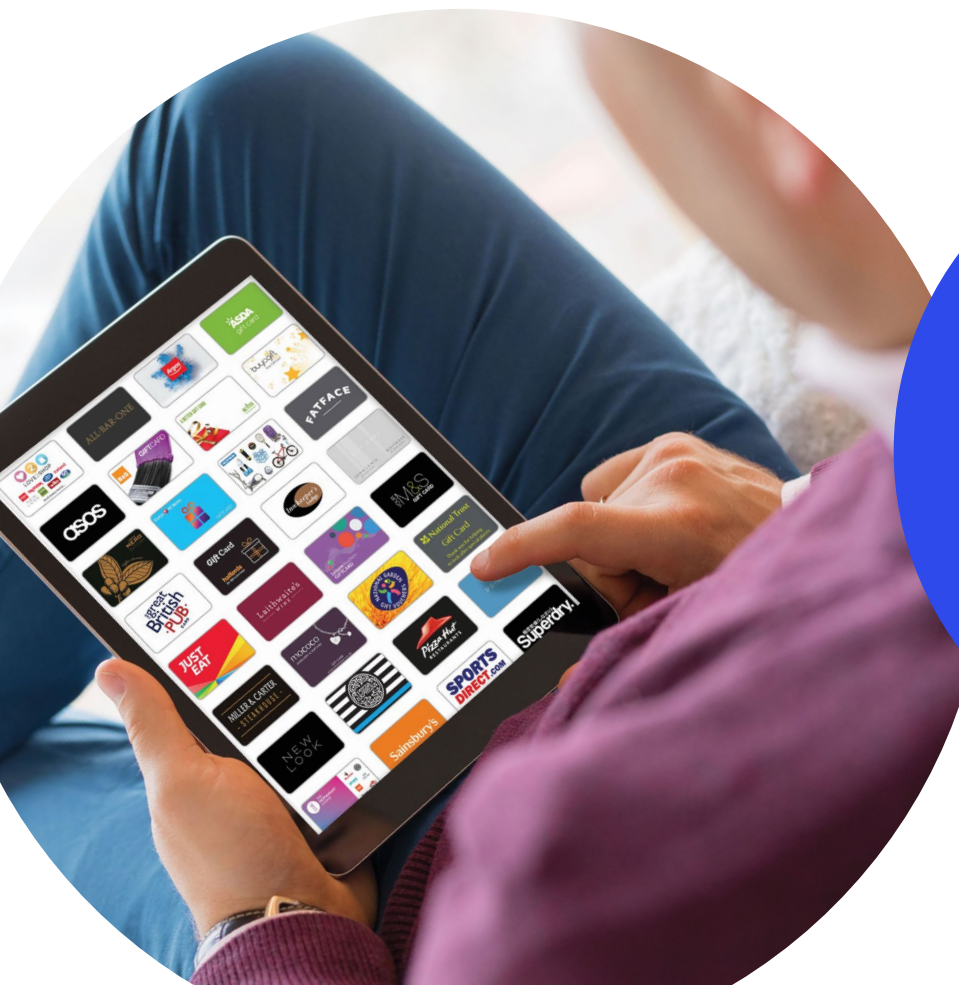

The Love2shop e-Gift Cards catalogue

Love2shop recipients exchange their code for a huge selection of in-store, digital and experiential rewards, including:

Gift catalogues can be tailored to your needs upon request

Branding and personalisation

We create Love2shop e-Gift Card landing pages that reflect your brand, company, or specific promotion scheme. We can also help you personalise and brand the emails that deliver e-gift cards to your employees or customers.
